Colony Caretaker Rules and Regulations

I understand that as part of my participation with the Highlands TNR Program, I agree that:

1. I am responsible for keeping the feeding stations for my colony neat and clean, providing fresh food and water for my colony every day, keeping accurate data on all cats in my colony including newcomers and kittens and reporting this data to the MCSPCA on a monthly basis.
2. I will allow MCSPCA personnel to trap feral cats for sterilization and to check that proper care is given to the colony. I will only trap feral cats if I am given prior approval by the MCSPCA Officer in charge of TNR programs.
3. If I am given approval to trap feral cats, I will not use the trap(s) to knowingly capture any cat with a home; to capture a healthy animal to be euthanized; for any unlawful purpose; or to capture any cat for research/testing purposes whatsoever.
4. All feral cats in the MCSPCA Trap/Neuter/Release Program will receive a spay or neuter, rabies & distemper vaccinations, FIV/FeLv test, ear tip and microchip. Any other medical treatment will be done on a case by case need by the veterinarian.
5. In some cases it may be necessary to euthanize cats and/or kittens whose physical conditions may prevent them from having a quality life and that this decision will be made by the MCSPCA veterinarians. I further agree that I will not hold the MCSPCA or veterinarian(s) liable or responsible for this decision or their actions.

Upon Signing below, I hereby agree to all rules and regulations stated above.
