

Jersey Shore Workcamp 9

1870 Highway 35, Middletown, New Jersey 07748

A Free Home Repair Mission Project

Serving the Bayshore Area July 8-12, 2019

The 9th Jersey Shore Workcamp is ready to receive applications for July 2019. Volunteers from St. John's United Methodist Church and friends will be visiting applicants to assess their home improvement needs. There is no financial prerequisite. The only qualifications are the person cannot do the needed work or cannot afford the materials. We are Christians helping our neighbors live safely with dignity and respect.

450 Christian youth and leaders will come to live in a Hazlet school and work on homes in the Bayshore areafree of cost to the homeowners. Each workcamper pays for their mission opportunity. Locally, we raise the funds to supply the paint and building materials needed to work on the homes.

We find the hardest part of our mission is getting the information to elderly and low-income folks who do not subscribe to newspapers or have cable television. We place the applications in township offices, senior centers, service organizations and churches. "Word of mouth" sharing usually works best.

We request that you post the application or print in your newsletter or bulletin. Even if your members do not need the help, they may know of someone in need who could use a wheelchair ramp, painting, new steps or porch replacement.

This is our 15th year and we have serviced an average of 75 to 85 homes each summer. After Hurricane Sandy we held two Workcamps helping 160 homeowners.

For additional information please call us. We would be pleased to answer all questions. Attached is the application you may duplicate and distribute. We can supply copies.

Thank you,

Bill & Gail Bechtoldt

JSW Coordinators

Jersey Shore Workcamp

St. John's United Methodist Church & Group Workcamps

July 8-12, 2019

Free Home Repair Project

Christian teenagers from across the U.S. will come to Monmouth County to repair homes for low income, elderly or disabled residents. Teams of 5 teenagers and at least one adult leader will do the work. Eligible repairs **may** include:

Exterior Painting (aluminum & vinyl siding painting)

Mobile Home Roof Coating

Porch repair or replacement

Exterior step repair or replacement

Interior Painting

Wheelchair Ramps

Weatherization

Limited Roofing (no tear-offs)

(no plumbing or electrical work)

Both labor & materials will be free to qualifying homeowners. **(Must own home)**

Applications will be carefully reviewed to determine qualification. **In order to be considered, please return this application A.S.A.P. no later than February 28, 2019.**
