

COVID Vaccination Update – Phone Support and Vaccine Locations

In addition to the online registration portal provided by the state (<https://covidvaccine.nj.gov/>), there is also help for those who prefer to register by phone. A call center has been established to help with vaccine questions and registration. To call, dial (855)568-0545.

For those who are eligible, but would like to find a vaccination location, the full statewide listing can be found here (<https://covid19.nj.gov/pages/covid-19-vaccine-locations-for-eligible-recipients>). The reduced list showing only Monmouth County sites is below. **Please note, this includes the CVS on Route 36 in Highlands.**
