

SNUG HARBOR BEACH CONCERT

An afternoon filled with Jody Joseph music and Heartstrings student performers

OUR MISSION:

Economically disadvantaged and potentially at-risk individuals would greatly benefit from a music program which encompasses artist development to enhance their lives.

"Music is a universal language that sheds the tears, then soothes the soul to open the heart to the amazing power of healing one heart string at a time"

~ Jody Joseph Bongiovi,
Founder of Heartstrings

Join us for a musically filled afternoon on the Snug Harbor Beach in Highlands. Music will begin at noon.
